How To Transfer Digital Tickets

Option 1: Transfer Tickets Via Desktop (computer)

Step 1: Log on to www.lagalaxy.com/MyAccount and select the “tickets” tab (see “How To View Digital Tickets Via AXS”, page 1).

Step 2: Once in the tickets tab, click the dropdown arrow by the ticket quantity for the game you’d like to transfer and select “transfer”.

Step 3: Select the quantity of tickets you’d like to transfer and click “Continue”.

Step 4: Enter the Name and Email Address of the individual you’d like to transfer the tickets to. Then click “Continue” and ensure all the information you entered is accurate. If it is all accurate, click “Transfer” to complete the ticket transfer.
Option 2: Transfer Tickets Via LA Galaxy Mobile App

Step 1: Log on to the LA Galaxy App via Iphone or Android.

Step 2: Select the “Tickets” tab at the bottom of your screen.

Step 3: Click “View My Tickets”.

Step 4: Select the match for which you’d like to transfer tickets.

Step 5: Click “Transfer”.

Mobile Id will refresh in 38 seconds
Step 6: Select the seats you would like to transfer and enter the name and email address of the individual you would like to transfer the tickets to.

When you transfer tickets using either method (desktop or mobile app), the person you transferred the tickets to will receive the following email:

![Email Image]

TICKETS JUST GOT SENT TO YOU

View the tickets in your AXS account.

Zack Krukowski transferred ticket to you for LA Galaxy II v. Colorado Springs Switchbacks FC at Dignity Health Sports Park Track & Field Stadium, Carson, CA on Saturday 3-09-19 at 7:00 pm PST. The transfer is complete and the tickets are in your AXS account.

When it’s time for your event, open the app, go to the tickets in your account, and show your phone at the gate. Have fun!

Message from Zack Krukowski:

Steelers > Vikings

From there, the recipient can follow the link in the email to register their account, then they can use one of the two available options to enter matches (see pages 2-3).
